Happy New Year!!

I was hoping this case would go away. Haha.

I would prefer March 1<sup>st</sup>, but either day is fine with me. We can coordinate as the date get closer.

Thanks

The long and torturous case of [REDACTED] is going to be coming up for trial again next month. Your lab number is [REDACTED] I am trying to reschedule the case and am wondering before I do so which date is better for you – Feb. 28<sup>th</sup> or March 1<sup>st</sup>.

Thanks and happy new year!
